17th September 2021 Autumn 3

Dear Parents

It was lovely to see so many of you at our Welcome Evenings this week as we have been looking forward to having parents back in school with us. As you will have seen in the letter sent out yesterday, we have had more confirmed Covid cases in school and this means we may have to change some of the events we have planned this term, and will need to respond as and when we have positive cases.

You have all been very supportive in getting your children tested and I thank you for that. Regular Lateral Flow Testing will help to pick up any asymptomatic cases. If your child has any symptoms, they will need to have a PCR test done at a centre. PCR test results have been quite quick in coming back and children have been able to return to school promptly if the test is negative.

Feeling Good Week

The week of the 8th October 2021 we will be taking part in the Surrey Healthy Schools Feeling Good Week. This year the theme is TOGETHER WE ARE STRONGER and each day that week, the whole school will be looking at a different aspect of mental health, physical health, being kind, healthy eating and taking care of ourselves and others.

According to The Children's Society 1 in 6 children aged 5-16 are likely to have a mental health problem, and 50% of all mental health problems start by the age of 14. Many children and young people have developed a range of skills which assist them in coping effectively with change and adversity, however many young people have a lot going on in their lives. Some young people battle with identity, friendships, belonging and inclusion, and over the last year the Covid pandemic has placed a greater challenge upon families, schools, children and young people.

We will finish the week with HELLO YELLOW on Friday 8th October and the children can come to school dressed in something yellow if they would like to.

Reminders:

- Attached to this newsletter are the dates for some Come and Ask sessions with Mrs Stacey, our Inclusion Leader. If you have any queries regarding your child and their learning, please do come along.

- The Friends of Wyke Chair's annual report is also attached. If you were unable to attend the AGM today but would still like to be involved in the Friends of Wyke, please speak to your class rep or let us know. We would love you to be involved!

Have a lovely weekend.

Regards,
Michelle
